

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of biased, right-wing media manipulation.

If they are allowed to proceed, they should be forced by law to air an anti-Bush program, such as Fahrenheit 9/11, in an equivalent time slot.

If this causes even 1 voter to make a biased choice in the upcoming election, it is clearly wrong and shouldn't be allowed to go forward by the FCC.

Thank you.
